Wednesday Night—Two Teachers Given Year's Leave  
of Absence.

### The town school committee at a

meeting Wednesday night granted the  
teachers and janitors of the local  
schools a ten per cent. raise in salary.  
The increase was granted in re-  
sponse to a petition presented by the  
teachers and janitors some months ago

teachers and janitors in the town  
school, the increases being granted in  
response to a petition sent the board  
some months ago by the teachers and  
janitors. The increase requested has  
been under consideration since the  
presentation of the petition, and the  
action of the board in granting the in-  
crease is in line with similar action  
taken by other cities.

sented by General William A. Alken  
a letter from Governor William A.  
Buckingham to the board of Educa-  
tion of the Central School District  
dated December 8th, 1917. The

very limited education and who are  
engaged during the day that they can-  
not attend the public schools; and  
would respectfully request you to es-  
tablish an evening school which shall  
be free of charge and open to all boys  
and young men over fourteen or six-  
teen years of age or adopt such other  
measures as will meet the necessities  
of these youth.

I am very respectfully your obedient  
servant,
